

LANDICE

INTERNATIONAL TREADMILLS

SUPERIOR STRENGTH AND DURABILITY

Our treadmills have been placed in the most demanding commercial environments around the world, where our fitness equipment has proven its strength and endurance. When using a Landice treadmill in a commercial facility, you can be confident of its long-lasting and reliable performance.

EXPERT CRAFTSMANSHIP SINCE 1967

A SMOOTH RIDE

Landice is the industry leader in treadmill shock absorption. Our standard VFX Shock Absorption System provides optimum comfort while reducing impact on your joints. It is 5 times softer than running on grass and great for runners and walkers seeking impact reduction.

THE FINEST TREADMILLS

Landice built its reputation on the quality and craftsmanship of its treadmills. Since 1967, we have engineered the most innovative and durable fitness products in the industry, in the USA.

INTERNATIONAL WARRANTY

Landice offers a 5-year warranty which is valid for all applications including residential, light commercial, health clubs, and pay-for-membership facilities.

High-wear items (USB port) carry a 90-day warranty against defects in material and workmanship. Wear items, specifically treadbelts and decks, carry a 2-year warranty.

CLUB

Designed specifically for high-volume usage in health club settings, the L-Series Club treadmills are ideal for walkers, joggers and serious runners alike. An aluminum frame and whisper quiet 4 HP continuous duty motor are just some of the features found on the Club. The L7 offers one of the lowest step-up heights in the industry while the L9 accommodates users over 1.8 meters (6 feet) tall with a spacious running surface.
